City Treasurer Offers One-Time Waiver For Penalties on Unpaid Parking Fines

The City of Falls Church Treasurer is offering a one-time waiver for parking fine penalties. This week, the Treasurer will begin mailing courtesy notices to citizens who have unpaid parking tickets, advising them they have a 30-day reprieve from penalties if they pay their overdue parking fines by Feb. 26, 2010. Citizens who believe that they have delinquent parking fines, and do not get a letter, should contact the Treasurer's Office immediately.

This is the first time the Treasurer has offered a parking fine penalty waiver. The waiver program will save citizens any additional collection fees.

The Treasurer's Office receives and processes all payments for parking fines and penalties. For questions about payment, contact the Treasurer at 703-248-5046 or email treasurer@fallschurchva.gov. The Treasurer will not be able to abate or change parking tickets. Questions about parking tickets should be addressed to the Falls Church Police, 703-241-5053 (non-emergency).
